P.S. We're putting this card around town → too.

Hi! I'm Jill Stewart, new to the Nelson and District Women's Centre, and taking over the job Moe Lyons did as co-coordinator here with Karen Newmoon. We're planning an International Women's Day potluck supper on March 6th with workshops and display tables from 12 noon to 5 pm. Supper at 6 pm, entertainment including our local blue grass band the Buffalo Gals starts at 7. We're looking for more entertainment and anyone who wants to display or sell items relating to women there.

The main reason I'm writing to you here is I'm wondering, 'What are other Kootenay communities doing for International Women's Day?' Just curious about what we will ALL be doing around then, & I'd like to put it in our newsletter as a way of attracting attention to the day, maybe even for a press release.

If you could fax me info about your activities, as well as any interesting activities you've heard of that will take place anywhere on that day or thereabouts, I'd appreciate it.

Thanks,

J. Stewart
