Dear Sisters,

Women's Centre in Winnipeg is in the process of compiling a central listing of women's centres, places, transition houses, what - have - you across the country, with information on the activities and resources of each organization.

We would appreciate whatever information you could send us about your centre - what services and resources you provide for women, correct address, names of contact people in your group (if possible), publications, films or tapes that you have done, newsletter, plus whatever else you can think of that's pertinent. If there are any other women's centres in your area that you know of, would you please send us their names and addresses so that we can contact them as well.

If you have a newsletter, could we be put on your mailing list? As our budget is tight right down, we would appreciate it if we could exchange newsletters, but if that places a cost burden on you, please let us know and we will subscribe to your newsletter. As we receive your replies, we will put your centre's name on our newsletter mailing list, too, so that we can keep in touch with each other.

We would certainly appreciate your help in this area. Thank you in advance.

Sincerely

A handwritten signature in cursive script that reads 'Lesley'.

Lesley Silver,  
Co-ordinator,  
Women's Centre.
