Dear Maureen Hodgson:

In response to your letter about "After the Vote", I'm sending you the recent catalogue FILMS BY WOMEN (see p. 5 for my films). Perhaps you might find more films of interest for the festival.

I've checked with the Distribution Centre, and as of now "Vote" is available for June 1 and 2.

I'm glad you're interested in my films - especially since I'm sort of planning to move to the Nelson area sometime in the not so distant future.

Best regards to Susan.  
Bonnie Kreps

Regards,
