Dear Ms. Braundy:

Thank you for sending me the copy of your letter of January the 23rd addressed to the Prime Minister with reference to the Minister of Justice, the Honourable Otto Lang.

By way of curiosity and for my own personal benefit, I would appreciate an explanation of your remark that Mr. Lang has interfered with organizations receiving funds on the grounds that they are not in line with his personal prejudices. I would be able to better understand the reasons for your position if you could provide me with an indication of the display of these prejudices.

Thank you, again, for providing me with a copy of your letter.

Yours sincerely  
Bob Brisco,
