

July, 1992

Dear West Kootenay Women's Association Member,

As our membership year runs from AGM to AGM, renewal time has come around again. Membership in the Association continues to defy inflation and remains at a modest \$15 annually. The costs to send out the newsletter are about \$10 each year. In order to be able to continue sending the newsletter we need your renewal. Thank you very much for your continued support.

Here's my renewal of \$15 for membership in the West Kootenay Women's Association.
